Four generations of the Miller family, dairy farmers in Berry for five generations.

Ladies and gentlemen, girls and boys,

On behalf of our Committee, Volunteers & Sponsors, it gives me great pleasure in welcoming everyone back to the Berry Show in 2024!

Over the last twelve months we've all been working overtime to bring you another spectacular event.

From the competition between exhibitors through to the action packed entertainment we are excited to bring together another two days of "Country Berry" for you to experience with your family & friends.

The thing I love about our show is that memories are made here that last a lifetime. I very much look forward to seeing our community come together once more to celebrate our rural heritage, to learn, to meet new friends, and to reminisce with old ones. It's sometimes the simple things in life that last forever.

We are all very much looking forward to sharing our hospitality with you at...

# Berry Show TREASURES

For every Berry Show, a person is selected to be honoured as a Show Treasure. This acknowledges their long - term association with the Show.

## WILLIAM JOHN MCGEE (JACK) 1911 - 1967

Jack McGee was born in 1911 at Far Meadow to Mary Ann McGee and William (Billy) Henry McGee.

Jack's father, Billy, was a legendary horseman, competing as a high jump rider but especially renowned as a gifted and patient horse educator.

Jack grew up in Broughton Vale and had a love of agricultural shows from an early age.

In 1920, at age 10, he exhibited at both Berry and Nowra shows. A year later he won every jump event he entered at the Sydney Royal Show! Jack McGee was an outstanding rider and rode many horses, of his own and for various owners, with great success.

Jack played football in Berry and Bowral and helped

his father with the young jumpers and trotters at the Berry Showground.

In 1934 Jack McGee met Mark Radium - a little black baldy faced pony gelding - and together they formed a unique partnership that lasted until Mark Radium's death in 1955, he was 23.

Bred in Taree by Alec Stewart and after showing early promise as a high jumper for owner George Bell, Mark Radium was sold to Fred Inglebert for 200 pounds. Fred later gifted Mark Radium to Jack.

Jack McGee and Mark Radium became the high jump champions of Australia, jumping 7' 8" at Albury, 7' 6" at Adelaide Royal and 7' 3" at Melbourne shows. From 1947 to 1955 Jack and Mark Radium won every jump event they entered at the Sydney Royal Show, with the exception of 1949 when Mark Radium had pneumonia. He still came second!

Jack had two other high jump horses called Victory and Don, and Jack often placed 1<sup>st</sup> 2<sup>nd</sup> and 3<sup>rd</sup> at the Royal shows.

After Jack returned from service in the Australian Army, he married Miss Norma Bennett in 1948 at St Patrick's Catholic Church in Berry. Norma was on the nursing staff of the David Berry Hospital. Jack and Norma had four children, Veronica, twins Jacqueline and Pamela and a son Mark.

Jack always regarded Berry as his home and Mark Radium was stabled in Berry behind his house at 54-56 Queen Street when not competing.

Mark Radium Park in Berry is dedicated to Jack McGee and Mark Radium.

After retiring from high jumping, Jack had success training and driving his trotting horses at Harold Park and other tracks. One of his standardbreds was called Muidarkram - Mark Radium backwards.

In 1960, Jack was selected to coach the Australian Equestrian Olympic Team, but was pipped at the post for this honour by Franz Mairinger, a past instructor of the Spanish Riding School in Vienna.

Later he joined the staff at the Berry AI centre and would jog to and from his home in Queen Street to work daily.

Jack's fine horsemanship, honesty, Christian family values, kindness and patience with animals and humans will be remembered by his family, the Show community and the people of Berry.

BREEDING PERFECTION

Alpacas are a relatively new farm species to Australia, having arrived as recently as 1987. But they have a long and noble history in the culture and economy of South America, where they have been domesticated as the sheep of the Andes for over 6000 years.

In the barely two decades since their introduction, leading Australian breeders like Millpaca have applied to alpacas those same principles of breeding and husbandry which were applied to the Spanish Merino in the previous 200 years establishing international standards for excellence in fleece production.

Today Australia is poised to lead the New World in the

production of high quality alpaca fleece and importantly for a sustainable meat industry.

Millpaca is a professionally-run alpaca stud farm, based in Berry NSW, that specialises in breeding pure-bred alpacas of exceptional quality. Our services include selling animals to boost your stock numbers, and hiring out award-winning stud males for mating purposes.

When you purchase an alpaca from Millpaca; or utilise our stud service, you really can be assured that they are among the best Huacaya alpaca stock. Our slogan 'breeding perfection' reinforces our ongoing aim to breed the best, and that's the Millpaca difference.

Contact Ian Frith for more information on (02) 4464 1728 or visit our website at [www.millpaca.com](http://www.millpaca.com)

## WHAT TO SEE & DO AT THE SHOW

### Ron McKinnon's Bullocks and the Marlie Draught Horse Display

SEE THESE DISPLAYS ON SATURDAY EVENING.

Step back-in-time with a team of five Australian draught horses, bred with influences from major draught horse breeds like American Belgian, Suffolk Punch, Shire, and Percheron. They'll pull a traditional 1901 wagon crafted by George Bennett's Wagon Works at St Marys.

Alongside the Marlie Draught Horses, Ron McKinnon showcases a rare working Timberhills bullock team, echoing the early Shoalhaven settlement days when bullocks hauled logs from the bush to sawmills. Ron upholds this age-old

tradition, using the same voice commands passed down through generations.

Throughout the weekend you'll see Charlie the Brahman bullock. Be sure to say hello to him as he is ridden around the Showground by his owner Garry Nelson.

### Berry Show Young Woman Competition

In 2021, The Royal Agricultural Society (RAS) of NSW and the Agricultural Societies Council (ASC) of NSW reached an agreement to rename the Showgirl Competition. Therefore starting from 2022, this competition - which hasn't been a feature of the Berry Show since 2019 - will be known as the Berry Show Young Woman Award. The Young Woman Competition is not a beauty pageant, its aim is to discover a young female ambassador for rural NSW.

Each year, over 500 young women from all across NSW participate in the overall competition. They are assessed based on their deep understanding and passion for rural Australia, along with their confidence, ambition, life goals, general knowledge, presentation skills, and public speaking abilities.

All Berry Young Woman entrants are encouraged to maintain their connection with the Berry Show Society throughout the year, where they can participate in Show meetings and events.

The revival of this competition in 2024 adds an extra layer of excitement to the upcoming Show.

Berry Show encourages the move towards a disease-free status for all exhibits. For 2024 the following conditions will apply:

The Stewards will ensure:

- Tested negative animals will be housed separately from other animals.
- Every effort will be made to immediately remove faecal material to an isolated area.
- Separate fresh water facilities will be made available.
- EBL (Enzootic Bovine Leucosis) - Dairy Cattle are only accepted for exhibit if they originate from "EBL Monitored Free" herd. Certification to this effect must accompany entry form.

**General Conditions for Dairy Cattle Section**

- All cattle must be unloaded and loaded at the loading ramp in Albany Street.
- It is compulsory for herd book stock to enter according to birth registration. Entries to be made on the prescribed form, available from the Secretary. The age of registered dairy cattle to be the actual age up to and inclusive of 1<sup>st</sup> January. **Entries close Wed 31<sup>st</sup> January 2024 - 7pm**

Prizes 1<sup>st</sup> \$50, 2<sup>nd</sup> \$25

The Winner must bake a second Rich Fruit Cake in order to compete in a semi-final to be conducted by each of the fourteen groups of the Agricultural Societies Council of NSW. The fourteen winners at group level will each receive a cash prize of \$15 and are required to bake another Rich Fruit Cake for the final judging at the Royal Easter Show, where the winner will receive a cash prize of \$50.

The following recipe is compulsory for all entrants.

#### RICH FRUIT CAKE

##### Here's what you need:

250g sultanas  
 250g chopped raisins  
 250g currants  
 125g chopped mixed peel  
 90g chopped red glace cherries  
 90g chopped blanched almonds  
 1/3 cup sherry or brandy  
 250g plain flour  
 60g self-raising flour  
 1/4 teaspoon grated nutmeg  
 1/2 teaspoon ground ginger  
 1/2 teaspoon ground cloves  
 250g butter  
 250g soft brown sugar  
 1/2 teaspoon lemon essence OR finely grated lemon rind  
 1/2 teaspoon almond essence  
 1/2 teaspoon vanilla essence  
 4 large eggs

##### Here's what you do:

Mix together the fruits and nuts and sprinkle with the sherry or brandy. Cover and leave for at least one (1) hour, but preferably overnight.

Sift together the flours and spices.

Cream together the butter and sugar with the essences.

Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures.

Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared **SQUARE 20cm X 20cm (8" X 8") TIN** and bake in a slow oven for approximately 3.5 - 4 hours. Allow the cake to cool in the tin.

NOTE: To ensure uniformity and depending upon the size it is suggested the raisins be snipped into 2 or 3 pieces, cherries into 4 to 6 pieces and almonds crosswise into 3 or 4 pieces.

**Judge Note: The height of the cake should not exceed 5.7cm (57mm).**

Winner progresses to the Group 5 level judging, date TBA Agricultural Shows Rich Fruit Cake Handbook – see: [www.agshowsnsw.org.au](http://www.agshowsnsw.org.au)

The Berry Show has named the event after Dr. Anthony Bennett, a well-regarded veterinarian and friend to the town of Berry, its people and its animals. His intelligence, quick wit and radiant smile were matched by his sincerity and compassion for his patients and their owners.

He volunteered passionately for the Berry Show, first as a veterinarian, then as a Committee Member, MC, Honorary Committee Person and as a sponsor. Anthony passed away in 2022.

The Children's Pet Show continues to be sponsored by Berry Veterinary Clinic.
