2026 BERRY SHOW SCHEDULE – PRESIDENT'S ADDRESS

Welcome everyone to the 138th Annual Berry Show – a proud celebration of our region's rich agricultural heritage and community spirit. This much-loved event is brought to life each year by a dedicated team of volunteers who work tirelessly to showcase the very best of local farming, creativity, and country life. We're delighted to have you here to share in this special occasion.

My connection to the Berry Show runs deep. I first became involved at the age of 13, inspired by my father's commitment and service. Ten years later, I joined the committee and went on to serve as Chief Gate Keeper. At the age of 40, I was honoured with life membership. My father, after more than 50 years as Chief Pavilion Steward, was also recognised with life membership before his retirement. Mum worked just as tirelessly behind the scenes, contributing nearly five decades as a valued member of the Ladies Auxiliary. It is in her honour, and in Dad's memory, that I proudly step into the role of President for this year's Show.

The 2026 Berry Show promises something for everyone. All the much-loved traditional features are back – dairy and beef cattle competitions, horse events, poultry displays, Angora goats, pavilion exhibits, wood chopping, and much more. The grounds are compact and easy to navigate, so take your time and enjoy the surprises waiting around every corner.

We're thrilled to welcome back the internationally acclaimed horseman, Guy McLean, who joins us again from Queensland with his extraordinary horse show. Guy will be conducting workshops on the southern side of the grounds, with seating available for spectators, as well as performing throughout the event in the McGoldrick Main Arena. His horsemanship and connection with his animals are truly something to behold.

On behalf of the Berry Show Society, thank you for joining us in keeping this remarkable tradition alive. Enjoy your time at the Show – there's something here for all ages, and memories just waiting to be made.

Terry Fahl
President Berry Show Society

Thanks to our Volunteers & Partners: The Show couldn't happen without the huge team of volunteers and businesses that help us throughout the weekend and during the lead up to the event. There are too many to mention, but we appreciate you all - you know who you are. We'd like to say a special thank you to Brooke from Socials for Locals who does all our social media, Christine Talbot who proof reads the entire program and schedule about 1000 times and our sponsorship sub-committee: Graham, Laurie, John and Chris, without whom this program wouldn't be possible.

Berry Show TREASURE

For every Berry Show, a person is selected to be recognised as a Show Treasure.

In 2026 we honour
COLIN (COL) WALSH

Woman of the Year). Both she and Justin showed Waljasper cows from an early age, sparking their love of the Show. Justin later won the National Dairy Judging Championship in Adelaide, cementing his passion for cattle showing. Melanie and Layne's and Justin and Libby's children have continued this tradition and also show cows at the Berry Show.

In the 1980's, Col's versatility, knowledge, good humour and work ethic were recognised by the Berry Show Committee where he started as a horse steward, then as a dairy steward for both cattle and goats. It wasn't long before Col became Chief Cattle Steward and then in 1998 he became the youngest Berry Show President, a position he kept for three years. Col's association with the Berry Show over the past 40 years has also seen him serving beers at the bar on Friday and Saturday nights, helping in the ring with the haystacking and Young Farmer Challenge, stewarding and proudly showing his champion cattle. Col was an active member of the NSW Dairy Farmers Association and is a Life Member of the Berry Show Society.

Waljasper Holsteins have had many broad ribbon wins, most notably:

- Avonlea Fever Suzette (ET), shown by Col and Sue and their son Justin, which won Supreme Interbreed Dairy Champion in 2016 and 2017 at Sydney Royal, as well as Supreme Senior Champion Cow at Berry Show.
- Waljasper Mr Sam Pam, awarded Best Uddered at International Dairy Week in Victoria in 2017.

Col and Sue, with help from their family and helpers, run the Spring Heifer Classic in November at the Berry Showground for young people up to 25-years-old. On weekends, when not working at the farm, Col helps with the Berry Junior Rugby League and likes to support his grandchildren's sports, including rugby league, netball and cricket.

In 2016, Col and Sue's son, Justin, took over much of the management of Waljasper. Justin's degree in agriculture and knowledge gained from his parents has seen Waljasper progress from a 10-a-side dairy to a 24-a-side herringbone, now milking 330 to 350 Holsteins and some Jerseys twice daily. He also develops and delivers programs for Dairy Australia. Justin and his wife Libby, who also teaches locally, live and work on the farm with their daughter Ella, who loves to help on the farm and to show their cattle.

Col's willingness to take on new tasks and learn from and listen to the stories of the older committee and community members has seen his farm and the surrounding area grow in productivity without compromising traditional family values.

His commitment to Berry and the Berry Show has been a significant factor in the success of both the town and the Show.

There is a farm in Turners Lane, Jaspers Brush, that is home to champion cows, a progressive dairy enterprise and a fifth-generation dairy family, the Walshes.

Colin's parents, Frank and Jean (née Bryce) Walsh, moved to Turners Lane in 1958 and established the dairy now known as Waljasper.

Previously, Frank and Jean had been dairying at Frank's family farm at Upper Kangaroo Valley and then at Jean's parents' farm in Bryces Lane, Coolangatta.

Frank's family heritage includes Irish Catholic convicts working for Alexander Berry around 1824 and Jean's family arrived from Scotland in 1852.

Col Walsh was born a year after his parents acquired the Turners Lane property. He has two sisters, Margaret and Dorothy and three brothers Peter, Kevin and Mark. He spent his childhood playing local football and helping on the farm. At that time, the herd was composed mainly of 30 to 50 Ayrshire and Jersey crosses, hay was delivered by railway and the milk produced was mostly used for butter and cream production. Berry was becoming an important area for cattle. Graham Park opened in 1957 and was an innovative bull evaluation centre. Berry also had a thriving milk co-operative supplied by the many dairy farms in the district.

Col was educated at St Michael's Primary and Bomaderry High School where he met his future wife, Susan McIntosh, whose family had a dairy farm in Kangaroo Valley. It was fortunate that Susan knew a lot about dairy farming life and was therefore able to assist in the dairy and in the office.

After his father's sudden death, Col (at only 16 years of age) stepped up to manage the farm as he had always loved the land and the dairy.

Col had inspiration from his father and Frank's twin brothers Tom and Ted Walsh. Tom and Ted were instrumental in breeding and developing the Illawarra Shorthorn Breed in Australia and America. They farmed at Far Meadow and then at Meadowhaven, Jamberoo and judged dairy cattle at Berry, Sydney and internationally. Col's aunt, Vonnie Muller, is a legend of the Berry Show due to her outstanding and numerous cooking prizes won over many years.

Sue and Col have two children, Justin and Melanie, and five grandchildren: Brodee, Cooper, Ella, Sam and Pearl. Melanie was a Berry Showgirl (now Berry Show Young

Berry Show WOODCHOP

We're excited for the Woodchop event at the 2026 Berry Show! This traditional competition showcases incredible skill, strength, and precision from both men and women competitors, celebrating a craft rooted deeply in rural heritage. It's always a crowd favourite.

The feature Woodchop event is the Australian National Underhand Championship that has attracted world class Axemen in years past.

The Show will also host the NSW State Championship chop for women, attracting top female competitors from across the state.

These together with the sawing and tree felling events will make up a full Friday evening and Saturday program with world class competition.

Conditions

Berry Show encourages the move towards a disease free status for all exhibits. For 2026 the following conditions will apply: The Stewards will ensure:

- Tested negative animals will be housed separately from other animals. Every effort will be made to immediately remove faecal material to an isolated area. Separate fresh water facilities will be made available.
- EBL (Enzootic Bovine Leucosis)-Dairy Cattle are only accepted for exhibit if they originate from "EBL Monitored Free" herd. Certification to this effect must accompany entry form.

JOHNE'S DISEASE:

- The society will permit both tested and untested animals
- The current status of exhibitors' herds must be notified upon entry or prior to judging day.
- Declarations for all Johne's Disease tested cattle must be produced to the Chief Steward before unloading cattle on the day of the Show.

BIOSECURITY:

- As from August 2019 the Biosecurity Act has been amended. Livestock farmers need to demonstrate they observe Animal Welfare Standards & Guidelines - details at www.mla.com.au/biosecurity (tools & resources).
- Cattle will not be able to access communal water troughs.
- Due to Biosecurity, competitors must supply, use and remove their own cattle's bedding. Waste disposal bin on site for used bedding and manure.

General Conditions for Dairy Cattle Section:

- All cattle must be unloaded and loaded at the four ramps in Albany Street.
- It is compulsory for herd book stock to enter accordingly to birth registration. Entries to be made on the prescribed form, available from the Secretary. The age of registered dairy cattle to be the actual age up to and inclusive of 1st January. No animal in the Cattle Section can compete in more than one Sub-Section. The owner of any animal so competing shall forfeit all prize moneys at Show.
- All animals must be under control, and all cattle must be led around the judging ring.
- All paraders are to wear breed dust coats or breed uniforms and enclosed shoes.
- No single exhibit will be entitled to more than one first prize, nor will it be allowed to compete, under penalty of disqualification, after winning a first prize, except in Champion, Special Classes, Groups or Pens.
- All exhibits, having won a prize, except in pens, must parade in the ring, as directed by the Stewards.
- Cattle shown in pens will be allowed to compete in single exhibits and vice-versa.
- Cow entered as dry will be allowed to compete as cow in milk (if calved). The definition of the word "heifer" is a female beast that has never had a calf, and that has no more than six permanent teeth. Exhibitors are to observe this condition when completing the entry form.
- Where animals are owned jointly or in syndicates, points for most successful exhibitor or breeder trophies to be awarded to the names jointly or the syndicate, not divided between the owners individually.

NSW COMPETITION compulsory recipe

**Sponsored by
AgShows NSW,
Andrew Horne
& BERRY SHOW SOCIETY INC.**

Prize 1st \$25

The local winner must bake a second Rich Fruit Cake in order to compete in a semi-final to be conducted by each of the fourteen groups of the AgShows NSW, Group level prize 1st \$70, 2nd \$50, 3rd \$30.

The Group winner is to bake another Rich Fruit Cake for the final judging at the Sydney Royal Easter Show, state winner prize of \$100.

The following recipe is compulsory for all entrants.

RICH FRUIT CAKE

INGREDIENTS:

250g sultanas
250g chopped raisins
250g currants
125g chopped mixed peel
90g chopped red glace cherries
90g chopped blanched almonds
1/3 cup sherry or brandy
250g plain flour
60g self raising flour
1/4 teaspoon grated nutmeg
1/2 teaspoon ground ginger
1/2 teaspoon ground cloves
250g butter
250g soft brown sugar
1/2 teaspoon lemon essence OR finely grated lemon rind
1/2 teaspoon almond essence
1/2 teaspoon vanilla essence
4 large eggs

METHOD:

Mix together all the fruits and nuts and sprinkle with the sherry or brandy. Cover and leave for at least one (1) hour, but preferably overnight. Sift together the flours and spices. Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon. Place the mixture into a prepared **SQUARE 20cm X 20cm (8" X 8") TIN** and bake in a slow oven for approximately 3.5-4 hours. Allow the cake to cool in the tin. NOTE: To ensure uniformity and depending upon the size it is suggested the raisins be snipped into 2 or 3 pieces, cherries into 4 to 6 pieces and almonds crosswise into 3 or 4 pieces.

Winner progresses to the Group 5 level judging, date TBA AgShows NSW Rich Fruit Cake Handbook see: www.agshowsnsw.org.au
