Berry Show PRESIDENT'S ADDRESS

Another year has rolled around, bringing with it a new Show season. Despite the challenges of both wet and dry weather, our local district continues to produce outstanding examples of agricultural excellence. The Berry Show is an opportunity to celebrate that achievement and share it with the wider community. From dairy cattle winning at state level to the latest homemade creations displayed in the Pavilion, we proudly present the very best of Berry for you to experience, and perhaps discover something new about this wonderful place.

We are delighted to welcome back our main attraction, Lachie Cossor, after two years away. Travelling from the Australian Stockman's Hall of Fame, Lachie will demonstrate his remarkable skills on horseback and present bull riding with a difference.

Our much-loved Show favourites also return, including the Pavilion, beef and dairy cattle, Sideshow Alley, new and vintage machinery, woodchopping, rodeo and horse events.

New for 2027 is a revitalised goat section featuring miniature dairy goats. We also welcome Little Sydney Big Rigs, whose incredibly detailed remote-controlled trucks and earthmoving equipment are sure to amaze. For younger visitors – and the young at heart – there will be a hay bale maze and the entertaining Fizzics Science show, just for starters.

On behalf of the committee, I warmly welcome you to the 2027 Berry Show. Take your time exploring the grounds, enjoy a leisurely stroll and discover something for every age and interest.

We hope you have a wonderful Show.

Terry Fahl
President Berry Show Society

Advertising and Sponsorship: Please note that the advertising space in this program is reserved for sponsors first. If you wish to sponsor the show in 2028 please send an email to the Secretary at info@berryshow.org.au - thanks to our sponsorship team: Graham, Laurie, John and Chris.

Thanks to our Volunteers & Partners: The Show couldn't happen without the huge team of volunteers and businesses that help us throughout the weekend and during the lead up to the event. There are too many to mention, but we appreciate you all - you know who you are. We'd like to say a special thank you to Brooke from Socials for Locals who does all our social media, Christine Talbot who proof reads the entire program and schedule about 1000 times and our sponsorship sub-committee: Graham, Laurie, John and Chris, without whom this program wouldn't be possible.

Berry Show TREASURE

For every Berry Show, a person is selected to be recognised as a Show Treasure.

In 2027 we honour

Frederick Andrew McIntosh

1903–1975

Fred's childhood was spent at 'Denbigh' Cobbitty an historic heritage listed farm purchased by his Scottish farmer grandfather Charles McIntosh in 1867.

When Fred was 7 In 1910 the estate transitioned from breeding Clydesdales and wheat and sheep to an Ayearshire Cattle Stud and dairy on which Fred and his older brother Charles worked.

Fred's schooling was completed at the Kings School at Parramatta. He excelled at sports and was the 400m champion runner of the school. Fred was also an excellent horseman and played polo competitively alongside the Ashton Brothers with outstanding success.

In 1927 Fred married Jean Pottie and they lived at 'Denbigh' until 1936 when they moved with their son Bruce to 'Woodside Park' Berry.

Sisters Jean and Doris Pottie (whose family started Blue Cross Veterinary products including Potties white ointment and electric oil) married the brothers Fred and Charles respectively.

'Woodside Park' was purchased for £5500 pounds and consisted of 247 acres at the base of Moeyan Hill. It was acquired with proceeds of the McIntosh brothers land at Badgerys Creek that is now part of the new Western Sydney Airport.

After World War II Fred was elected as the inaugural president of the Berry Better Farmers League which held competitions in conjunction with the Berry A and H Association to improve farming practices and progress the judging and presentation of dairy cattle at coastal Agricultural shows. At this time Fred was also a director of the progressive Berry Rural Co-operative

Fred was always looking to improve his herd and his abilities were recognised in 1946 when 'Woodside Park' was awarded Best Dairy Farm in the statewide Farmers and Settlers Competition. Many Sydney Royal show championships were won by Fred's cattle including champion cow in the Ayearshire and Holstein sections. Notably the coveted Fresh Foods Challenge Gold Cup from the NSW Fresh Foods and Ice Company which entailed winning the breeders group of 1 bull and 4 in milk cows in the Sydney Royal Show interbreed Dairy section for 3 consecutive years in 1938, 1939 and 1940 with his outstanding Ayearshire teams.

Alongside running a successful dairy enterprise Fred served on the Berry Municipal Council and was elected Shire President in 1947. Meetings were held in the committee rooms at the Berry Showground. After serving on the Berry Show committee as a judge and steward Fred became President of the Berry A and H Association in 1949. During his time on the committee Fred arranged for the floodlighting of the Berry Showground and trotting track.

Jean was an active member of the Berry Show Society Women's Auxiliary and judged in Floral Exhibitions.

It was in 1952 that Fred and the South Coast Co-operatives of Dairy Processors and the Berry Better Farming League sponsored four young immigrant veterinary graduates from Germany and Ukraine. One of the men, George Bouris, after completing Australian exams had expertise in animal reproduction and was engaged to help establish an artificial breeding centre for cattle in Australia at Wharf Road Berry.

Dr George Bouris then established the first Berry Veterinary Clinic and became the chief Veterinary advisor to the Berry Artificial Breeding Centre which was expanded and moved to the Princes Highway just south of Berry. It was opened in 1958 by the minister for Agriculture E H Graham and renamed the Graham Park Artificial Stock Breeding Centre. It was the first major artificial insemination and livestock genetics research facility in NSW.

At this point Fred McIntosh was asked to lead a delegation of cattle breeders to secure dairy and beef cattle with superior genetics from the UK and Europe to be used at Graham Park.

Fred was highly regarded as a cattle judge and judged at every Royal Show in Australia. In 1967 he judged the Ayearshire Cattle at the Royal Highland Show in Scotland; an honour he valued greatly.

In 1961 Fred was awarded an OBE for services to the Dairy industry and Agriculture in Australia.

Fred was a RAS of NSW councillor from 1950 to 1975 and vice president from 1965 to 1975. In 1959 the RAS of NSW informed Berry A and H Association that the Sydney Showgrounds flood lighting was to be replaced and F McIntosh, J Devery and T Cochrane were appointed to purchase and install the lights as Fred had used the advice of the chief electrical engineer for the RAS to successfully install the Berry Showground Lighting previously.

'The McIntosh Pavilion' at the current Sydney Showground honours Fred McIntosh and the 4 generations of the McIntosh family who served on the council of the RAS of NSW.

To this day The Berry Show Society commemorates the memory and contribution of Frederick McIntosh with the F A McIntosh Memorial sash presented to the supreme champion dairy cow at the annual Berry Show.

RICH FRUIT CAKE

INGREDIENTS:
250g sultanas
250g chopped raisins
250g currants
125g chopped mixed peel
90g chopped red glace cherries
90g chopped blanched almonds
⅓ cup sherry or brandy
250g plain flour
60g self raising flour
¼ teaspoon grated nutmeg
½ teaspoon ground ginger
½ teaspoon ground cloves
250g butter
250g soft brown sugar
½ teaspoon lemon essence OR finely grated lemon rind
½ teaspoon almond essence

Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures.

Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared **SQUARE 20cm X 20cm (8" X 8") TIN** and bake in a slow oven for approximately 3.5-4 hours. Allow the cake to cool in the tin.
